Ubuntu and Mutual Encouragement - Practice worksheet

Design a circle of encouragement that includes consent, reciprocity, and the option to receive rather than contribute today.

Adults; supported use as appropriate | 15 minutes

Fictional example: Morgan's group shares one practical support request before offering help.

Use an ordinary or fictional example, with a clinician when appropriate. Adlerian social interest and Ubuntu can meet through chosen mutual care.

Practice task

Design a circle of encouragement that includes consent, reciprocity, and the option to receive rather than contribute today.

1. My chosen or fictional situation, and what I know about it:

2. My response to the practice task above:

3. How does this community make room for both giving and receiving?

4. An optional next step, support, adaptation, or reason to stop:

Scope and adaptation

Explore patterns as collaborative hypotheses. Do not infer personality from sibling position, treat recollections as recovered facts, blame people for coping, or frame structural inequality as a lack of effort.
