# More than a Recovery Label - Scenario Card Exchange

You may write, draw, think quietly, use fiction, observe, or pass. Share only what you choose. This educational activity is not a test.

Fictional example: A member wants to be known as a musician and parent.

### 1. What is known in the fictional example, and what needs checking?

### 2. Build a fictional identity map with roles, interests, culture, strengths, and desired participation beyond substance-use history. My notes, drawing, or possible response:

### 3. Which part of identity needs more space?

### 4. One optional next step, support, or reason to revise the idea:

You can pause or stop. Ask your facilitator for an alternative if this does not fit. No identifying information belongs in shared copies. Independent clinical review pending.
