Anniversaries and Reminders - Supported Practice Lab

You may write, draw, think quietly, use fiction, observe, or pass. Share only what you choose. This educational activity is not a test.

Fictional example: A member is unsure how an upcoming anniversary may feel.

1. What is known in the fictional example, and what needs checking?

2. Prepare an individualized support conversation about a meaningful date without assuming it will be distressing. My notes, drawing, or possible response:

3. What options can remain available?

4. One optional next step, support, or reason to revise the idea:

You can pause or stop. Ask your facilitator for an alternative if this does not fit. No identifying information belongs in shared copies. Independent clinical review pending.
