IMR Group: Everyday Medication Supports - Scenario Card Exchange

You may write, draw, think quietly, use fiction, observe, or pass. Share only what you choose. This educational activity is not a test.

Fictional example: Casey's refill routine is disrupted by transport problems.

1. What is known in the fictional example, and what needs checking?

2. Identify one barrier to following the agreed prescription and a reminder or access support to discuss with the team. My notes, drawing, or possible response:

3. Which support addresses the actual barrier?

4. One optional next step, support, or reason to revise the idea:

You can pause or stop. Ask your facilitator for an alternative if this does not fit. No identifying information belongs in shared copies. Independent clinical review pending.
