House Group: Windows of Perspective - Cooperative Planning Workshop

40 minutes | 3-12 people | Adults with trained group facilitation

Write a first interpretation and two possible alternatives while retaining known facts and real risks.

Open with choice - 3 minutes

Explain the purpose, privacy limits, and the option to observe, use fiction, adapt, or pass. Check access needs and group readiness; do not promise absolute confidentiality.

Meet the fictional case - 4 minutes

Riley reads a brief reply as annoyance but has little context. Ask what is known, what is assumed, and what the person in the case wants.

Practice: Planning workshop - 26 minutes

Write a first interpretation and two possible alternatives while retaining known facts and real risks. In pairs or small groups, create two possible plans for the fictional case. Compare access, effort, likely tradeoffs, and consent. Choose one reversible trial with a backup and a review point; allow an observing role.

Reflect and compare - 4 minutes

What can be checked before acting on the first story? Ask what fits, what does not, and what external conditions or supports affect the options. No personal disclosure is required.

Close and integrate - 3 minutes

Invite an optional observation, support request, or small next step. Passing is welcome. Agree how to revisit questions and seek appropriate help outside the exercise.

Practice output

A feasible plan with a support, a backup, and a review question.

Scope and care

Use fictional or ordinary examples, consent, accessibility adaptations, and passing. Original educational group facilitation; not a complete treatment protocol. Do not interpret drawings or require personal disclosure. The house is an optional organizing metaphor, not an official standardized DBT instrument, safety assessment, or comprehensive DBT.

Original AI-assisted educational draft; independent clinical review pending. Version 1.0. Background references: GP01, GP02, RF-DBH. Full source links: library.morethantherapy.org/group-activities/GRP1129
