Control and Influence Circles

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A work schedule may change next month.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Place concerns into direct action, influence, and uncertainty circles.

3. Where is one practical action possible?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
