Assertiveness in a Power Gap

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A worker needs clarification from a supervisor.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Identify communication choices and outside supports when power is unequal.

3. What is safe and realistic in this context?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
