Connection Agreements Review

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

An earlier group rule no longer fits everyone.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Review a group agreement using what worked, what excluded people, and what needs revision.

3. What would a more usable agreement include?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
