Found-Object Meaning

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A smooth stone becomes an object in a fictional journey.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Choose an ordinary object and invent a story without claiming it reveals hidden traits.

3. What meaning did the maker choose?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
