Invite and agree - 3 minutes

Name the purpose and the right to pass, observe, write, or use fiction. Agree that people share only their own experiences and do not promise absolute group confidentiality.

Introduce the example - 3 minutes

Two figures stand far apart in an imagined setting. Ask what is known and what is still a guess.

Practice: Practice experiment - 7 minutes

Change the spacing of objects in a fictional scene and ask the maker what changed. Agree on a short, reversible test and what to notice. Try or simulate it, then compare observations without scoring people.

Reflect together - 4 minutes

What does distance mean in this story? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.
