Community Mural Agreement

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

Several people contribute to one sheet.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Agree on space, permissions, and shared decisions before making a joint drawing.

3. How will changes to another person's area be handled?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
