Creative Process Debrief

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A drawing does not look as its maker intended.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Notice choice, frustration, experimentation, and support during a task without judging artistic skill.

3. What mattered besides the final product?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
