Shared Space Agreements

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

Family members use the same room at different times.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Negotiate one household agreement using concrete actions and realistic responsibilities.

3. What can everyone reasonably agree to do?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
