Sibling Fairness Questions

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

Siblings receive different kinds of help.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Explore differences between equal treatment and needs-based support without assigning blame.

3. What would a fair conversation ask?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
