Role Flexibility Cards

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

One person's work schedule changes.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Identify household roles that can change and supports needed for a change.

3. What role could be renegotiated?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
