Disagreement Topic Parking

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A planning conversation has too many issues at once.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Create a way to pause a low-stakes topic and agree when or whether to revisit it.

3. Which issue needs attention first?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
