Family Meeting Blueprint

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A household wants to coordinate weekly tasks.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Plan an agenda with one topic, balanced turns, choices, and a closing summary.

3. What keeps the meeting manageable?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
