# Resilience Timeline

Grief & Resilience | 45 minutes | 3-12 participants | Adults with appropriate facilitation

## Purpose

Participants identify resources used across difficult transitions.

Materials: Paper or a printable handout, Pens or an accessible writing alternative, Optional blank cards or simple drawing materials

## Invite and agree - 3 minutes

Name the purpose and the right to pass, observe, write, or use fiction. Agree that people share only their own experiences and do not promise absolute group confidentiality.

## Introduce the example - 3 minutes

Use a fictional, ordinary example chosen by the facilitator; personal disclosure is optional. Ask what is known and what is still a guess.

## Practice: Planning workshop - 32 minutes

Create a timeline of selected life transitions, noting supports and choices; allow fictional examples or a future-oriented version. Sketch several possible responses, compare access and likely tradeoffs, and choose one adjustable plan with a backup.

## Reflect together - 4 minutes

What resource helped you persist? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

## Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.

## Facilitator fit and boundaries

Allow privacy and passing. Do not prescribe grief stages, closure, forgiveness, spiritual meaning, or a growth lesson.

Offer observation, private writing, or a fictional example. Adapt instructions and group size to access needs. No client responses are collected by this page.
