Identity Beyond Labels

Self-Worth & Identity | 45 minutes | 3-12 participants | Adults and teens 13+ with appropriate facilitation

Purpose

Participants separate personal identity from diagnoses or setbacks.

Materials: Paper or a printable handout, Pens or an accessible writing alternative, Optional blank cards or simple drawing materials

Invite and agree - 3 minutes

Name the purpose and the right to pass, observe, write, or use fiction. Agree that people share only their own experiences and do not promise absolute group confidentiality.

Introduce the example - 3 minutes

Use a fictional, ordinary example chosen by the facilitator; personal disclosure is optional. Ask what is known and what is still a guess.

Practice: Planning workshop - 32 minutes

Draw concentric circles of roles, values, communities, interests, and aspirations; choose one neglected identity to nurture. Sketch several possible responses, compare access and likely tradeoffs, and choose one adjustable plan with a backup.

Reflect together - 4 minutes

Which part of you deserves more attention? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.

Facilitator fit and boundaries

Let people choose identity language. Avoid appearance-based judgments, forced positivity, and assumptions about culture.

Offer observation, private writing, or a fictional example. Adapt instructions and group size to access needs. No client responses are collected by this page.
