Identity Playlist Titles

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A character wants a wider introduction than their job title.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Create fictional song titles representing several parts of a person's identity.

3. Which title makes room for another part?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
