Future Identity Threads

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

Someone is curious about volunteering.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Connect a current interest with a possible future role without making a prediction.

3. What small experience could help them explore?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
