Community Resource Questions

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A person is deciding whether to contact a community program.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Prepare questions about eligibility, cost, access, privacy, and next steps for a service.

3. What should be verified first?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
