Introduce the example - 3 minutes

A person imagines a more manageable week. Ask what is known and what is still a guess.

Practice: Creative activity - 17 minutes

Write a possible future message linked to a chosen value without promising an outcome. Offer writing, drawing, arranging objects, or describing a fictional creation. No artistic skill or personal disclosure is required.

Reflect together - 4 minutes

What small detail makes the future concrete? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.

Facilitator fit and boundaries

Respect ambivalence and the option not to change. Do not use ratings to pressure compliance.

Offer observation, private writing, or a fictional example. Adapt instructions and group size to access needs. No client responses are collected by this page.
