Confidence Evidence Hunt

Motivation & Change | 30 minutes | 3-12 participants | Adults with appropriate facilitation

Purpose

Identify previous actions that show relevant skills without dismissing current barriers.

Materials: Paper or a printable handout, Pens or an accessible writing alternative, Optional blank cards or simple drawing materials

Invite and agree - 3 minutes

Name the purpose and the right to pass, observe, write, or use fiction. Agree that people share only their own experiences and do not promise absolute group confidentiality.

Introduce the example - 3 minutes

A person doubts their ability to make a phone call. Ask what is known and what is still a guess.

Practice: Mapping - 17 minutes

Identify previous actions that show relevant skills without dismissing current barriers. Create a simple diagram or table. Label relationships, gaps, or choices; participants decide which connections fit.

Reflect together - 4 minutes

What past experience offers a useful clue? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.

Facilitator fit and boundaries

Respect ambivalence and the option not to change. Do not use ratings to pressure compliance.

Offer observation, private writing, or a fictional example. Adapt instructions and group size to access needs. No client responses are collected by this page.
