Present-Moment Choice Tokens

Trauma Stabilization | 30 minutes | 3-12 participants | Adults with appropriate facilitation

Purpose

Make tokens for continue, change, pause, and observe to support participation choices.

Materials: Paper or a printable handout, Pens or an accessible writing alternative, Optional blank cards or simple drawing materials

Invite and agree - 3 minutes

Name the purpose and the right to pass, observe, write, or use fiction. Agree that people share only their own experiences and do not promise absolute group confidentiality.

Introduce the example - 3 minutes

A person prefers nonverbal communication during group. Ask what is known and what is still a guess.

Practice: Creative activity - 17 minutes

Make tokens for continue, change, pause, and observe to support participation choices. Offer writing, drawing, arranging objects, or describing a fictional creation. No artistic skill or personal disclosure is required.

Reflect together - 4 minutes

How will the group respond to each token? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.

Facilitator fit and boundaries

Present-focused skills only. No trauma narratives, exposure, surprise touch, or requests to revisit traumatic events.

Offer observation, private writing, or a fictional example. Adapt instructions and group size to access needs. No client responses are collected by this page.
