Introduce the example - 3 minutes

A young person is choosing whom to spend time with. Ask what is known and what is still a guess.

Practice: Card sort - 7 minutes

Identify observable signs of respectful friendship using fictional examples. Write short statements drawn from the example on cards. Sort using the distinctions in the task, then discuss cards that could fit more than one place.

Reflect together - 4 minutes

What action shows respect rather than popularity? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.
