Invite and agree - 3 minutes

Name the purpose and the right to pass, observe, write, or use fiction. Agree that people share only their own experiences and do not promise absolute group confidentiality.

Introduce the example - 3 minutes

A peer wants to share a group photograph. Ask what is known and what is still a guess.

Practice: Card sort - 7 minutes

Discuss asking before posting photos, sharing messages, or adding people to chats. Write short statements drawn from the example on cards. Sort using the distinctions in the task, then discuss cards that could fit more than one place.

Reflect together - 4 minutes

Whose permission is needed? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.
