Homework Starting Ramps

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A student does not understand how to begin.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Break an assignment into a first step and a request for missing information.

3. What instruction needs clarification?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
