Rumor Stop Practice

You may write, draw, think quietly, use fiction, or pass. Share only what you choose. This is an educational practice activity, not an assessment.

An optional fictional starting point

A peer asks a character to forward a rumor.

1. Choose an ordinary or fictional example. You may keep details private.

2. Try this task: Practice declining to pass on unverified personal information.

3. What could be said without starting another argument?

4. One optional next step, support request, or question I want to carry forward.

You can pause or stop. Ask your facilitator for an alternative if this activity does not fit. Keep identifying details out of any shared copy.
