## Practice: Skills rehearsal - 17 minutes

Practice describing a concern to a trusted adult and asking what happens next. Model one short example. Invite a speaker, listener, or observer role; rehearse a low-stakes version and switch roles only by choice.

## Reflect together - 4 minutes

What would they want explained about privacy and support? Ask what fit, what did not fit, and what would make the exercise more accessible. Do not interpret another person's response.

## Choose a next step - 3 minutes

Invite one optional action, support request, or question to carry forward. Passing is a valid closing response. Confirm how to seek appropriate support outside the activity.
