Renovating My House - Practice worksheet

Review one area that helps, one that no longer fits, and a small redesign to discuss with support.

Adults; supported use as appropriate | 15 minutes

Fictional example: Riley's old routine needs adjustment after a schedule change.

Use an ordinary or fictional example, with a clinician when appropriate. A house plan can be revised when circumstances change.

Practice task

Review one area that helps, one that no longer fits, and a small redesign to discuss with support.

1. My chosen or fictional situation, and what I know about it:

2. My response to the practice task above:

3. What would you keep, remodel, or leave unfinished for now?

4. An optional next step, support, adaptation, or reason to stop:

Scope and adaptation

An original DBT-informed house metaphor for educational reflection, not an official standardized DBT assessment, diagnostic drawing test, or comprehensive DBT. The maker defines meanings. Offer another metaphor if housing is sensitive, and allow omissions or fiction. Do not interpret rooms, colors, or omissions as evidence of pathology or safety.

Original AI-assisted educational draft; independent clinical review pending. Version 1.0. Background: Dialectical Behavior Therapy Skills Training: Fundamentals. Full source links and scope: library.morethantherapy.org/recovery/resources/DBH-A20-2
