Privacy and Consent Online - Practice worksheet

Prepare non-explicit questions about ethical media choices and personal privacy for a qualified educator; do not collect or share sexual material.

Adults; supported use as appropriate | 15 minutes

Fictional example: Noah wants a clearer understanding of consent and privacy in digital spaces.

Use an ordinary or fictional example, with a clinician when appropriate. Digital sexual wellbeing includes consent, legality, privacy, and respect for others.

Practice task

Prepare non-explicit questions about ethical media choices and personal privacy for a qualified educator; do not collect or share sexual material.

1. My chosen or fictional situation, and what I know about it:

2. My response to the practice task above:

3. What boundary protects your rights and other people's rights?

4. An optional next step, support, adaptation, or reason to stop:

Scope and adaptation

Adult-only, non-explicit educational resources. The searchable phrase pornography addiction is not used here as an established diagnosis. Frequency, high desire, or moral distress alone does not establish a disorder; assess impaired control, functioning, distress, consent, and context with a qualified clinician. Respect consensual sexuality and chosen goals; no explicit media, aversion exercises, forced disclosure, or coercive monitoring.
