Loneliness and Connection Needs - Practice worksheet

Map times of isolation and brainstorm accessible connection options without making another person responsible for preventing use.

Adults; supported use as appropriate | 15 minutes

Fictional example: Noah wants more ordinary companionship after work.

Use an ordinary or fictional example, with a clinician when appropriate. A behavior may serve connection or comfort needs that deserve direct attention.

Practice task

Map times of isolation and brainstorm accessible connection options without making another person responsible for preventing use.

1. My chosen or fictional situation, and what I know about it:

2. My response to the practice task above:

3. What kind of connection is actually wanted?

4. An optional next step, support, adaptation, or reason to stop:

Scope and adaptation

Adult-only, non-explicit educational resources. The searchable phrase pornography addiction is not used here as an established diagnosis. Frequency, high desire, or moral distress alone does not establish a disorder; assess impaired control, functioning, distress, consent, and context with a qualified clinician. Respect consensual sexuality and chosen goals; no explicit media, aversion exercises, forced disclosure, or coercive monitoring.
