A Tiny Values Action - Practice worksheet

Choose one quality and design a five-minute action that expresses it within current constraints.

Adults; supported use as appropriate | 15 minutes

Fictional example: Avery expresses care by sending one check-in message.

Use an ordinary or fictional example, with a clinician when appropriate. A value becomes more concrete through an observable, feasible action.

Practice task

Choose one quality and design a five-minute action that expresses it within current constraints.

1. My chosen or fictional situation, and what I know about it:

2. My response to the practice task above:

3. What action is small enough to fit today?

4. An optional next step, support, adaptation, or reason to stop:

Scope and adaptation

Values are personally chosen directions, not moral rankings or evidence of worth. Recognize structural barriers, disability access, and culturally varied meanings. Do not turn willingness into exposure to danger, excuse coercion, or prescribe one life path. These original exercises do not constitute a complete ACT protocol.
